Food allergies & intolerances & Gluten free choices

As our menu has a number of options that can be made gluten free by simply removing a dip, sauce, or other component of the meal, we do not preclude choices by applying symbols to our menu. Please speak to a member of staff for details.

It is important that if you have any food allergies or intolerances, you must inform staff when ordering. Although many of our meals will contain potential allergens, some can be adapted by removing one or two ingredients or components of the meal. However, please note that if you have severe allergies to any food ingredient, our meals are cooked in a mixed preparation area, and cross contamination is possible.

You should therefore seriously consider this advice before ordering

*

Please note that all our meals are prepared to order and we are not a 'fast-food' outlet. During peak periods there can be substantial waiting times. If you are in a hurry please check the guideline waiting time with staff before you place your order.

Note - The advised wait times are a guideline, not a science!
